**SURCHARGE-FREE BLUE  
DEBIT/ATM CARD—CU24.COM**

**BENEFITS OF OUR CARD**

- **SURCHARGE FREE ATM'S:** Your new card will be part of the new ALLPOINT / CU24 network that has access to over 100,000 surcharge-free ATM's across America, many in our area, including at CVS, Walgreen's, Rite-Aid, 7/11's and many other convenient locations in our area. Go to CU24.COM for ATM locations.

- **REAL-TIME UPDATES:** The new card will be updated in "real-time", meaning that when deposits are made to your account, your account is updated immediately. Likewise, debits will also be deducted from your account immediately, at the point of purchase or ATM. It will be important to make sure that you have funds available before making a purchase, or your purchase may be denied.

- **SUPERIOR FRAUD PROTECTION:** The new Visa Debit Card will be provided by the same vendor that currently provides our Visa Credit Card. We have a great relationship with this vendor and they continue to provide excellent fraud protection for our members. This gives you piece of mind, knowing that purchase patterns are being watched by their automated system to alert them if high-risk purchases are being made or if strange activity occurs, so we may contact you.

- **DEALING WITH PEOPLE YOU KNOW-** We are your local resource.

For lost or stolen cards- call 800-VISA-911 after business hours.
